GONGS ARE GONE; WELCOME REFORM

ICE MEN NOW WANT ANTI-RINGING ORDINANCE ENACTED.

Although an ordinance to prohibit the ringing of gongs on ice wagons in Paducah has failed to get through both boards of the general council, another attempt will be made to enact the law.

The Paducah Ice company and the Flowers & Wagner Ice company, who were victims of a wholesale theft of gongs from their wagons Tuesday night, will ask the general council for an ordinance, prohibiting gongs being used. Mr. Frank Riecke, of the Paducah Ice company said today that, although both companies had placed orders for new bells, they are willing to do away with them since there is a general sentiment among the public to get an ordinance through.

Ringling of gongs is not necessary; but it has been the custom in Paducah for years. In some cases drivers of ice wagons provoke a daily nuisance and kick by constantly clanging the bells.

TEMPLARS TAKE IMPORTANT STEP

CONCORDAT MADE AT CHICAGO BINDING WORLD OVER.

Competitive Drilling Begun Yesterday and Will Continue Today—Prizes.

AWARDED TO THE WINNERS.

Chicago Aug. 11.—A resolution was unanimously adopted establishing a concordat between the Knights Templar government bodies, said by Masons to be the most important step taken by the conclaves for many years. The concordat established amicable relations between the Knights of England, Ireland, Scotland, Canada and the United States, and is an event which has been crystallizing for many years. Its consummation is said to be the chief object for which the Earl of Euston, pro grand master of England and Wales, visited the thirty-first triennial convale.

The Templars of the world are affiliated with the governing bodies of one or the other of the nations, and today's legislation practically consolidates them into a cohesive whole.

The competitive drills, second only in interest to the parade, yesterday began and will last through tonight. The prizes will be awarded tonight.

Detroit Commandery No. 1 was first on the field today. Sixty men in black uniforms topped with white plumed chapeau marched and counter marched, ending with a saber salute to the grand stand.

Beaumont Commandery No. 8, Baltimore, was second on the field, after which these commanderies followed: Ivanhoe No. 24, Milwaukee; Kansas City No. 10; Oriental No. 31, Kansas City; Raper No. 1, Indianapolis; Mount Olivet No. 12; Wichita; Hanselman No. 16, Cincinnati; Kenosha, Wis., No. 30.

Thousands of visiting knights and others spent today about the city and hundreds enjoyed boat trips on lake Michigan.

Captains James B. Gowan, R. E. Ingram and James S. Young, Jr., officers of the United States army, who acted as judges in the drills late today announced the following scores:

Raper Commandery, of Indianapolis winning first prize.

Raper Commandery No. 1, percent age 92.3.

Hanselman No. 10, Cincinnati, 87.3; Oriental No. 31, Kansas City, 87.2; Ivanhoe No. 24, Milwaukee, 85.5; Kenosha, Wis., No. 30, 84.9.

Beaumont No. 8, Baltimore, 79.9; Mt. Olivet, Wichita, Kansas, 78.2; Detroit Commandery No. 1, which gave an exhibition drill was given honorary mention. The first prize is a silver loving fountain and cups, a silver libation cup; second a center piece and candelabra, third.

Packer Indicted

Chicago, Aug. 11.—Thos. G. Lee, of the Armour Packing company, was today indicted for perjury by the federal grand jury, investigating the beef cases. Lee is alleged to have purposely misinformed jurors when asked regarding the fixing of prices by packers. More indictments are expected.

Indianapolis, Aug. 11.—It was admitted at the Illinois headquarters of the special miners convention, opening here today that the meeting might eliminate John H. Walker, president of the United Mine Workers' association, on account of politics in the body, or result in the impeachment of the International President Lewis, for the part he has taken in the proposed wage compromise, rejected by the Illinois miners.

Actor Star Aviator.

London, Aug. 10.—Robert Lorain, the actor, qualified as a star aviator today by making a splendid flight across the Irish sea, a distance of more than 50 miles from Blackpool, England, to Llandudno, on the coast of North Wales.

Aero Passes Over Kentucky. Midway, Ky., Aug. 10.—An airship passed over this place late last night, going in a northerly direction. Only the lights were discernible.
